A2 L

Dimensions	14.85cm x 15.2cm x 2.55cm
Weight	800g
AC Power	100W Continuous
AC Output	AC 230V/50 Hz/max 120W peak
AC Waveform	PWM Modified Sinewave
Efficiency	AC Conversion up to 92% eff.
USB Output	DC 5V/3A up to 15W
Charger Input	19V/2.1A (18 - 23 V DC)
Self-recharging time	3h
Battery	[Type] Li-ion [Life] Over 600 full cycles [Total Capacity] 99 Wh Largest capacity allow on board of aircraft. (<i>Flight-Approved</i>) (27000 mAh at single cell voltage)
SKU & EAN	LPA2L EU - 5430000151115
Certification	Product is compliant to CE, FCC and RoHS
Safety	Multi-layer full protection circuitry
Working Temperature	0°-40°C Ambient
Contents	LIFEPOWR A2 L + Pouch Quick Guide/User Guide AC Adapter (EU) (<i>UK adapter optional</i>) Universal Plug
Passively Cooled
